

# PANORAMA CHRONICLES

DECEMBER-2025

## The Joy of Giving

The festive cheer was bright at Panorama this December! From team celebrations to giving back, we were reminded that fashion feels best when it's made with heart.

## Woven Warmth

- Winter dressing begins with texture and depth. This season, our collections spotlight fabrics that
- embody refined comfort and timeless appeal.
- Wool Blends for structured warmth
- Twill Weaves that balance durability with style
- Velvet Touch Finishes adding quiet luxury
- Warm, tactile, and effortlessly chic—these fabrics define winter dressing for global wardrobes

## Sustainability in Winter

Winter sustainability at Panorama means durable fabrics and efficient production. We create high-performance pieces that last longer and leave a lighter footprint.

## Closing Note

As the year ends, we reflect on a season of craftsmanship and conscious choices. At Panorama, winter is about intention and lasting value. See you in the New Year!
