START YOUR JOURNEY TODAY

NOVEMBER/25  
NEW DELHI

### Vision

To be the world's most trusted apparel partner, championing technology, sustainability, and design excellence.

### Mission

To exceed expectations through innovation, efficiency, and a people-first culture—redefining global apparel manufacturing.

# WEAVE YOUR *LIFE* WITH PURPOSE.

## Fashioning the Future!

Welcome to The Panorama Chronicle! As we celebrate 52 years of passion and progress, we reflect on our journey from 1973 to becoming a global fashion export leader with five state-of-the-art factories and 1 premium storage warehouse. Rooted in tradition yet driven by sustainability, technology, and people-first values, we're redefining responsible manufacturing. With every garment, we honour heritage while shaping a stylish, sustainable future.

## Special Capabilities

- FAMA-approved – licensed to manufacture Disney products
- Expertise in creating Festive Edits (Diwali, Ramadan) for UK & EU partners
- Strong sourcing network with leading mills in India & China for fabrics & trims

### Safety & Sustainability: Our Promise, Every Day

#### Safety First!

##### Safety at the Core

At Panorama, safety isn't just a standard—it's part of our culture and the foundation of our operations.

##### Designed for Well-Being

Our factories are built for safety and comfort, featuring ergonomically designed stations and wellness programs that support workers physically and mentally.

##### Sustainable by Design

We prioritize sustainability through responsible practices like water recycling and eco-conscious dyeing processes.

##### Quality with Responsibility

These initiatives allow us to reduce our environmental footprint while maintaining the highest standards of quality.

### Director's Address

“

Good governance isn't just policy—it's our culture. We lead with responsibility, building partnerships that endure and grow stronger over time. Panorama's journey has been one of vision and resilience. As we expand our reach to newer markets, we carry with us the pride of India's craftsmanship. ”

Mr. Rajan Sahni  
Director

“

Our vision is rooted in responsibility. At Panorama, sustainability isn't an afterthought—it is woven into every choice we make. Strong foundations create lasting impact, we uphold transparency, ethical practices, and uncompromising values.”

Mr. Navin Sahni  
Director

### The Road ahead!

Our story is woven into India's industrial growth. With an annual output of 12 million garments, Panorama has become a powerful force in the fashion industry. But our true strength lies in our people-first approach—empowering workers, closing skill gaps, and creating safe, thriving workplaces.

Our vision is simple: to lead with purpose and sustainability, ensuring that every garment carries both craftsmanship and conscience.

### Next Chapter: Panorama Noida

The 2025 launch of our state-of-the-art Noida factory is a milestone for Panorama. It embodies our vision for the future: a hub of innovation and craftsmanship built on a foundation of sustainability, powered by solar, eco-fabrics, and cutting-edge automation.
